## KEY

Marshall Artz announce the release of their third CD, **KEY**, a powerful collection of original music showcasing the lead and slide work of **Brad Marshall** intuitively combined with the rhythm and fingerstyle guitar of **Kevin Artz**, who also contributes vocals and harmonica. Mastered by Grammy award winner Charlie Pilzer at AirShow, and recorded by Ken Schubert, Cue recording engineer with numerous platinum credits and Billboard hits.

Marshall Artz is an instinctive and eclectic original blend of rock, jazz and blues forged together in a kick- ass acoustic style. The duo features the combined talents of Brad Marshall on lead, rhythm, and slide guitar and Kevin Artz on rhythm and fingerstyle guitar, vocals and harmonica. Brad's background in rock and blues with Kevin's background in folk, folk-rock and bluegrass create an original and dynamic acoustic sound. The communication and synchronization between these two musicians' performances blend two guitars into a rhythmic and melodic mix that suggests a full band rather than just two guitars.
